

# Kansas Home Care Association 2017 PARTICIPATING VENDORS

The Kansas Home Care Association wishes to recognize the following organizations for their support of KHCA and our activities. These organizations participated in the 2017 KHCA Annual Meeting as exhibitors and/or co-sponsors. Our vendors play a vital role in helping us to bring information and education to you, our home care and hospice providers. We hope you will take advantage of this information and keep it on file at your home office.

*KHCA greatly appreciates the time and effort on the part of our vendors in providing information to our attendees. The Kansas Home Care Association feels an obligation to present the widest possible view-points represented in the home care and hospice arena. However, the participation of any vendor/product in this conference does not constitute an endorsement by this association. As always the public is strongly advised to seek further counsel and exercise diligence in making any decisions that affect their business or quality of services provided.*
