

Invitation to Exhibit

As an existing, or potential, business partner of home care and hospice providers in Kansas, the Kansas Home Care & Hospice Association invites you to join us for our 2020 Annual Conference to be held September 22-24, 2020. For the first time ever, this will be an entirely virtual conference!

The KHCHA Annual Conference is the major home care and hospice event in Kansas. With the ongoing changes in the home health and hospice industry, providers depend on the information made available at our Annual Conference, so we expect a large number of participants from agencies across the state.

We recognize the importance of the products and services that you provide to the home care and hospice industry; therefore, we have tried to incorporate options that will give you access to our participants. Please consider which option will best meet your needs and priorities.

Virtual Exhibitors

By registering as a virtual exhibitor for our Annual Conference, your business name, logo, address, phone number, website and your products/services will be listed on the conference event app accessible by all Annual Conference attendees. In addition, your business name will be listed on the Annual Conference webpage as a participating exhibitor. Finally, we will be asking all registered attendees to select at least two exhibitors/sponsors with whom they would commit to a follow-up meeting/conversation.

Break Sponsors

There are many benefits to registering as a break sponsor during our virtual conference. First, all break sponsors will be listed separately in our conference event app, including your business name, logo, address, phone number, website and your products/services description. Second, your business logo will be displayed during your assigned conference break. Then, before the start of the next live webinar, you will have the opportunity to: 1) conduct a three-question poll regarding your services; 2) show a 60-second promotional video; and/or 3) say a few words about your organization. We will also be asking all registered attendees to select at least two exhibitors/sponsors with whom they would commit to a follow-up conversation/meeting. Finally, your logo will be listed as a sponsoring organization on our website from the time your registration and logo are received through the remainder of 2020. Please note—only nine break sponsorships are available.

Workshop Attendance

All registered exhibitors/sponsors are invited to join any or all of the 11 educational webinars offered during our Annual Conference (one live log-in per webinar per exhibitor). Workshops include open management sessions, home health-specific sessions and hospice-specific sessions. Joining these webinars are a great way to learn more about the issues providers are facing.

Register Now!

Don't delay registering for this terrific opportunity to promote your presence within the home care and hospice industry in Kansas. Sponsorships are limited and no registrations will be accepted after **September 1**.
