Program Abstract

The past two years have resulted in substantial changes in the home health industry and 2022 is shaping up to be another year of change. This 1½-day workshop will help providers prepare for those changes by offering data and insights on Medicare PDGM and industry key performance indicators and review of the latest information on the 2022 Medicare home health final payment rule, including an analysis of the payment rate changes, implementation of the new Notice of Admission (NOA) billing transactions, quality reporting updates, and national expansion of the Value Based Purchasing (VBP) program. This workshop will also include a session on coding for quality and finance and strategies for operationalizing quality management.

Program Outline

- ⇒ PDGM: Where are we now?
- ⇒ Overview of Medicare final rule
- ⇒ Revenue cycle 2022
- ⇒ VBP
- ⇒ Connecting the dots between coding, quality and revenue
- ⇒ Quality in a value-based environment

Speakers

M. Aaron Little, CPA

Aaron is a managing director with nearly 25 years of experience with BKD. He oversees the operations of BKD Health Care Billing & Revenue Cycle Services and is nationally recognized for his expertise in home care and hospice billing and operations. He serves on the Home Care & Hospice Financial Managers Association (HHFMA) Advisory Board and Workgroup and chairs its Business Analytics Committee. He is also a member of the Board of Directors for the Indiana Association for Home & Hospice Care and the CGS Home Health and Hospice Provider Outreach and Education Advisory Group.

Angela Huff, RN

Angela is a member of BKD National Health Care Group and provides consulting services to home care and hospice clients. With over 30 years of experience as a registered nurse, she has spent the last 17 years in executive leadership in home health, hospice operations, and software development in the post-acute space, including performing operations improvement assessments and compliance-focused reviews of home health and hospice documentation, including audits and appeals related to the OIG and program integrity contractors.

Nanette Minton, RN, CHPCA, HCS-D, HCH-H

Serving in a leadership capacity for over 20 years, Nanette has held a variety of roles in the home care and hospice industry including clinical, administrative, consulting, education, and agency startup & development. She currently holds the position of Senior Clinical Coding Manager for MAC Legacy. Nanette provides day to day coding and quality support to the home care and hospice agencies receiving coding services. She also serves as a consultant for quality and regulatory issues that arise due to the complex and integrated nature of coding.
